

The Artemis Great Kindrochit Quadrathlon Additional Rules applying to Relay Teams

All participants of relay teams must comply with the Event Regulations but should note the following additional rules.

It is possible to register for the event as part of a relay team.

Relay team participants must be 16 or over by 8/7/2017. 16 and 17 year olds who enter must be accompanied by an adult relay team member at all times.

If you wish to take part in a relay team the entrance fee is £135 per team member.

Relay teams can vary in size from three to eight participants.

Two people must participate in each of the swim, hill, kayak and cycle stages.

There is no obligation for relay participants to take part in more than one, two or three disciplines however if one member of a relay team wishes to do all four disciplines please arrange this in advance with WildFox Events.

For safety reasons, at no stage can any one participant continue alone.

Relay participants are expected to raise a minimum of £250 each for the nominated charities Mary's Meals and Mercy Corps. If you take part in a relay team but complete all four disciplines you are requested to raise the standard minimum fundraising amount for non-relay participants of £450 per person.

Although WildFox Events will try to help transport relay team members to change over points along the route where practical, WildFox cannot guarantee this for safety and logistical reasons. Relay teams must have a mobile support team and must plan to be self-sufficient in the event that no assistance is available from WildFox.

For Further details about entering a relay team please contact WildFox Events.
